

INNOVATIVE DESIGN. INTELLIGENTLY SIMPLE.

Series 149 and Series 138 are Polyester TGIC-Free weather resistant powder coatings. **Series 149** is suitable for interior and exterior applications while **Series 138** is a super durable powder coating compliant to AAMA 2604* with excellent weather resistance properties for high performance architectural exterior applications (*AAMA 2604 compliance dependent upon the color and/ or effect).
